

2022-2023 Parent Involvement Plan

The mission of **Holt Elementary School** is: To create an environment that expects students to maximize their potential in areas of basic skills, problem solving, and self-discipline.

We know that parent involvement in our school can have a dramatic effect on the academic achievement of our students. This plan is developed with the goal of developing a strong partnership with all of our parents so that our children will be provided with the best possible education we can offer.

So that parents will better understand our school's program and how they may become actively involved, we have addressed key areas of concern. Please feel free to discuss any questions, comments, or suggestions you may have about this plan with your child's teacher, a PTO officer, the school principal. We welcome your input and suggestions!

Parents' Involvement with the Tuscaloosa County School System Plan Development

Annually, a LEA Advisory committee made up of faculty representatives and parents selected by the respective schools meet to review and update the Tuscaloosa County School System's parent involvement plan. The plan is then made available to parents through distribution at each local school's annual fall meeting as an attachment with the local school parent involvement plan. It is also placed on the school system website (www.tcass.net), available through the principal's office at each school, or upon request from the central office.

School's Use of Parent Involvement Funds

Holt Elementary School will use its allocation of parent involvement funds to purchase Ironmen Binders to promote communication between home and school along with providing parents a daily report of behavior and student progress; provide materials and training to help parents to work with their children to improve their children's achievement, pamphlets, videos, etc... that provide parents with resources in a variety of topics in order to meet the needs of their children.

Parents' Involvement in How Parent Involvement Funds Will Be Used

As part of Holt Elementary School's meeting held each spring with parents to review and update the School/Parent Compact and Parent Involvement Plan, the allocation of parent involvement funds are discussed. Funds are budgeted and expended based upon the goals and priorities set through that meeting.

Procedures for Parents to Express Concerns Related to the Tuscaloosa County School System's Consolidated Application for Every Student Succeed Act

Title I funds are allocated to each school system based upon the consolidated application submitted to the school system on an annual basis. Parents wishing to make and submit comments should they disagree with any part of the Tuscaloosa County School System's Consolidated Application for ESSA funds may do so by submitting those concerns, in writing to:

Mr. Mark Franks, Director of Federal Programs
Tuscaloosa County School System
P. O. Drawer 2568
Tuscaloosa, AL 35403-2568
(205) 758-0411

Annual Meeting

By the end of September, Holt Elementary School will hold its annual meeting for all parents of participating children. Parents are notified of the meeting through, notices sent home by students, newsletters from the principal, postings on the marquee, through our school website, and through announcements in other languages when we have families where English is not their primary language. To assist in providing the opportunity for all parents to attend, the meeting is offered at two different times- once during the school day, and once in the evening. Topics to be discussed at this year's meeting are:

- Title I participation, its services, and parent's rights
- An explanation of the school's curriculum
- The assessments used in our school to measure students' progress
- Our school's parent involvement policy
- Our school's parent compacts
- Resources available for parents

Flexible Schedule of Meetings

The leadership and staff of Holt Elementary School have a strong belief in the importance of parental involvement and therefore have put measures in place to offer parent meetings on a flexible schedule. Our annual meeting for parents of participating children will be offered both in the evening and the following morning. In August, grade level meetings are held at night with each individual grade level meeting on a particular night.

Conferences with teachers are encouraged and may be set up by prior appointment during teacher's planning times and before or after school. Parents may obtain information about their child's academic or social progress through phone calls, notes to teacher, email, school website, and participation in workshops or other family activities. Parents are invited to many activities at the school including Christmas Sing-A-Long, grade level classroom programs, Fall Festival, Vocabulary Parade, talent show, choir and baton performances and other special parent involvement events.

Involvement of Parents in Planning, Review, and Improvement of Title I Programs

Holt Elementary believes in involving parents in all aspects of its Title I program. We have three parents on our Title I committee who were active participants in the development of the plan. Each year, the school wide plan, including the parental

involvement plan, is reviewed and evaluated. Results of parent surveys are reviewed by the parent representatives and Title I committee to determine needed changes.

Timely Information About the Title I Program, the Curriculum, and Academic Assessments

At the annual meeting of parents at the beginning of the school year; Holt Elementary School will hold a general meeting where information will be presented about its Title I programs, the curriculum, and forms of academic assessments used to measure student progress. Parent will learn about our school's program and the following subjects taught: math, reading, science, social studies, language arts, and PE. They will learn about how to schedule parent-teacher conferences and how they can participate in decisions related to the education of their child. We will review the Tuscaloosa County School System Student/Parent Information Guide, as well as our school's information, which includes more detailed information on these topics and a copy of the parental involvement plan. Upon conclusion of the general meeting, parents will be invited to visit their child's classrooms and meet their teachers. At this time, teachers will provide additional information on the subjects they teach and how students are individually assessed.

Submission of Parent Concerns About Our Title Plan

In late April of each year, Holt Elementary brings in its Title I Planning Committee to review, evaluate, and revise our Parent Involvement plan. There are three parents on the Committee who represent all the parents of the school. During the review process, all parents are notified of the review through notices sent home with students and publicized on the school website. The notices make parents aware that the plan is under review, that a copy of the plan is available for review in the school office, library, or by visiting the school website, and that parents have the right to give input regarding the revision of the plan. The notice also states that after the plan is finalized and approved, if a parent finds the plan to be unsatisfactory, they have the right to submit their concerns in writing to the school, and the school will submit their concerns to the central office at the same time that the Title I plan is submitted.

School-Parent Compacts

Holt Elementary School revises its school-parent compact in May of each year in consultation with our school wide advisory committee and any parental comments received by teachers throughout the year. All parents will be given a copy of the new compact through open house enrollment packets and sent home with students during the beginning of the school year. A copy will be maintained on the school website and new students will be given one at the time of enrollment. The compact will be explained to the parents, and they will be asked to sign the compacts signifying their commitment to working in partnership with the school and their child in ensuring that their child is successful in school. The compacts will be discussed with teachers at faculty meetings. Each teacher will be given the responsibility to explain the compact to the students and obtain the students' signatures. The teachers will sign the compacts and house them in his/her classroom for use during parent-teacher and/or student-teacher conferences.

Building Teachers' and Parents' Capacity for Strong Parental Involvement

To ensure effective involvement of parents and to support a partnership among Holt Elementary School, parents, and the community to improve student academic achievement, Holt Elementary School staff shall:

- Describe any material and resource support offered to parents in helping their children increase their academic achievement; provide a parent center in school, and offer counseling services to support parents.
- Describe the training/workshops to be offered to parents in: local and state assessments, helping their children with homework, use of technology, and various curriculum approaches.
- Describe how continuing profession development for teachers will be implemented toward the goal of furthering their understanding and valuing of the contributions of parents; conferencing techniques; establishing positive relationships with families; how communication between the home and school may be strengthened; teacher involvement in PTO and other family-related activities.
- Providing Parent Learning Groups for the parents. These groups will meet monthly.
- Describe how concerted efforts such as Jump Start for pre-kindergarten students and fifth grade students transition to feeders schools encourages and supports parents into more fully participating in the education of their children.
- Describe how parents of Pre K students can better help their children at home to enable them to become better students by providing parent classes.
- Describe how information related to school and parent programs, meetings, and other activities is sent to parents in a language and format that they can understand. Support for parents in languages other than English will be provided by the compilation and translation of key school informational documents; providing translators to assist with registration, enrollment, and parent conferences; and working with the ESL department at the Tuscaloosa County Board in arranging for tutors as needed for students.
- Describe how parents are chosen to attend Parent Leadership Academy and how they can implement their knowledge with other parents.
- Describe how the school provides other reasonable support for parental involvement activities as parents may request.

Participation of LEP Parents, Parents with Disabilities, and Parents of Migratory Children

Holt Elementary School, to the extent practicable, provides opportunities for the participation of parents with limited English proficiency and parents with disabilities. Holt Elementary currently has eighty five Spanish-speaking students; therefore communication to be sent home is available in Spanish. In addition, we have a translator

who is available to assist in verbal and written communications between students, parents and the school. Individual academic assessments, and the interpretation of those results, will be interpreted for parents in a language they can understand through the assistance of our ESL specialists and translators available through the Tuscaloosa County Board of Education. At this time, Holt does not have any migrant students. Every effort is made to accommodate parents with disabilities. The Tuscaloosa County School System policy for homebound is followed as needs exist for homebound services. Parents requiring such assistance should contact the counselor, nurse, or administration for referral forms and assistance with the application process. Homebound services are provided through the central office of the Tuscaloosa County School System.
