

Advanced English 9 Summer Reading

The following novel is required outside reading for all students enrolled in this class. Students must finish the novel before the first day of class:

Lord of the Flies by William Golding

This book can be purchased at any book store, checked out at a public library, and can sometimes be found at a thrift store. Students will need a copy to read and to use during the first week of class.

On the first day of class, students must be prepared for a test, writing assessment, discussion, and other activities related to the novel listed above. For this reason, students should review the novel prior to the first class meeting in order to make a good test score on the first major grade.

Enjoy your summer reading! I look forward to interesting class discussions about this novel.
