**Implement monthly attendance incentives for students**

**How can parents and the community assist**

**Encourage your child to read every night (fiction & non-fiction)**

**Continue to reinforce academics at home**

**Make sure your child is present and on time daily for school**

**Davis-Emerson Middle School has received a score of 72/C on the Alabama State Report Card for the 2018-2019 school year. We are pleased that our score reflects an increase of 3 points from the 2017-2018 school year, which shows that we are on the right track. We would like to continue improving our grade and solicit the continued support of our DEMS Community.**

**Our areas of focus are Academic Achievement and Chronic Absenteeism. In order to address these areas, DEMS has implemented a school-wide intervention program that focuses on strategies to improve math and reading skills. We will also implement a school-wide Literacy Program, “Literacy for All,” beginning Spring 2019. In addition, we have kicked off our attendance initiative for this year which celebrates students with perfect attendance each month as well as students who have a minimum number of absences.**

**While we focus on these areas to improve our scores, we ask parents to please assist us by making sure students are at school daily and on time, encouraging your child to read (fiction & non-fiction) at home daily, and to reinforce academics at home. We truly appreciate your support as we work together to continue to develop DEMS C.H.A.M.P.S. and students that become respectful leaders and lifelong learners.**
