

Parents,

We will be having our 7th grade students select their courses for next year on Friday, February 25th. They will be choosing these courses online during their Social Studies class. Please take this time to review elective choices with your student and decide together what they should take. Listed below are the possible electives offered at Echols. You can find descriptions in the Middle School Brochure linked here: <https://www.tcss.net/cms/lib/AL01001644/Centricity/Domain/3861/2022-2023%20MS%20Handbook-%20FINAL.pdf>

The Middle School Brochure has descriptions of electives across the entire school system, so please only focus on the ones listed below. Students may select 4 semesters of electives.

Full-Year (2 semester) Electives:	1 Semester Electives
Band 1	Global Studies
Band 2	Game Design 1 & 2
Band 3	Digital Design 1 & 2
Choir 2	Communications
Men's Choir	Creative Expressions
Computer Science Discoveries	Global Studies
	Reading (for fun)
	Technology Education
	STEM Technologies III
	Visual Art

Yearbook, Peer Partner, Office Assistant, and Library Assistant are chosen by application only. Applications can be picked up in the student window. All applications are due: Friday, March 4th.

All students will take English, Math, Science, Social Studies, and Physical Education. Students currently in Academic Scholar courses or Accelerated Math and maintaining an 80 average for the year will automatically be enrolled in Academic Scholar/Accelerated Math 8 courses. Any students wishing to move into Academic Scholar Courses must complete a parent override. These can also be picked up in the student window. All overrides are due to the office by: Friday, March 4th. Due to our scheduling process schedules will NOT be changed to Academic Scholar courses after this date.

Sincerely,

Jason Stapp
Principal
Echols Middle School
