

alabama **STRONG**

THE TIME TO COME TOGETHER IS NOW.

While our community faces this transition together:

- Milo's will provide 150 meals per week to kids in need across our Alabama communities.
- Kids eat free with the purchase of an adult combo meal to help all families during these challenging times (see coupon attached).
- For every sauce bottle sold in stores, Milo's will donate \$2.00 towards meals for local children.

It is our honor and privilege to serve you, particularly during challenging times, and we thank you for your trust.
