

NEW! Pay for Student Meals Online

TCSS Parents and Students,

The Tuscaloosa County School System is excited to offer MySchoolBucks®! This online payment service provides a quick and easy way to add money to your student's meal account using a credit/debit card or electronic check. As of April 02, 2018, PayPams will no longer be accepted as an online payment service for the Tuscaloosa County School System and we will only be using MySchoolBucks for this service.

You will be able to view recent purchases, check balances, and set-up low balance alerts for FREE!

MySchoolBucks provides:

- **Convenience** - Available 24/7 on the web or through our mobile app for your smartphone
- **Efficiency** - Make payments for all your students, even if they attend different schools within the district. Eliminate the need for your students to take money to school.
- **Control** - Set low balance alerts, view account activity, recurring/automatic payments & more!
- **Flexibility** - Make payments using credit/debit cards and electronic checks.
- **Security** – MySchoolBucks adheres to the highest security standards.
