

Dear Parents:

All remote students will have ACAP(Alabama Comprehensive Assessment Program) testing makeups on April 26th-28th. This is a state mandatory test and all students must show up in person to take the test. If your child was absent on the March 29th - April 2nd testing sessions, we will have make up testing on the days stated below. Make sure you are here on these days because the State of Alabama deadline is April 30th. Please do not bring your child to school on the wrong day. Thank you for your support this year and we look forward to seeing you all in person next year.
