

Northside High School

Dear Ram Family,

We hope that everyone enjoyed their Spring Break and time with their family. Due to these uncertain times and the closing of schools until April 6th, we wanted to give parents and students a few resources to use while at home.

IXL: Resource for the areas of Language Arts and Math – www.ixl.com All students have a log in and have been working in this program during Reach Advisory.

Khan Academy: Resource for Math, Science, and Test Prep - www.khanacademy.org

We hope that you find these resources useful. We miss our students and look forward to be back at school again.

Stay safe,

Mr. Dunn and Mrs. Thompson
