

# Credit Recovery

Parents,

Students who scored below a 70 for the first nine weeks are eligible to recover their first nine weeks grades up to a 70. Students who choose this option will complete the recovery work at home or during after school Credit Recovery offered Mondays, Tuesdays, and Thursdays from 3:00-5:00. All recovery work must be completed by the end of the second nine weeks. There is no cost associated with this program for parents. Classes will be offered through Edgenuity; however, if classes are not offered through Edgenuity then they will be offered through Schoology. Students will be evaluated to determine which standards they need to recover. In order to recover a grade, students must complete 100% of their assignments in the corresponding recovery program. To enroll in a 1<sup>st</sup> nine weeks Credit Recovery, parents can go to [www.countyhigh.com](http://www.countyhigh.com) and complete the form or return the paper application to the front office by October 30<sup>th</sup>.

Students who are currently Remote only need to contact their Remote Coach and do not need to submit a form.

---

**Who Qualifies:** Any student with a 1<sup>st</sup> nine weeks grade below 70.

**Cost:** Free

**How to Apply:** Students who are currently traditional should submit an application to the office or complete the form online. Current remote students need to contact their Remote Coach.

**Deadlines:**           **Application: 10-30-2020**

**Completion: 12-17-2020**
