MISSION

The mission of the Tuscaloosa County School System is to educate and empower all students to become college and career ready graduates-prepared to make positive contributions to our global society. Thus, TCSS is prepared to take the necessary strides to achieve our mission. TCSS Faculty and Staff are committed to making Every Child a Graduate-Every Graduate Prepared for Life.

To learn more about our school system visit tcss.net, follow us on Facebook and Twitter, or get our mobile app.

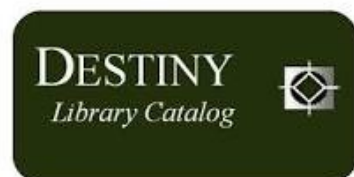

ONLINE Resources for Students & Parents

BACKGROUND

The Tuscaloosa County School System (TCSS) is excited to provide the Online Parent Resource brochure. This brochure highlights various online resources that can be used at home.

Reading Resources

<http://destiny.tcss.net>

Search for books at your child's school library.

<http://www.arbookfind.com>

Search for titles at the appropriate level for your child.

www.starfall.com

Online resource of reading activities spanning Pre-K to 2nd grade.

InformationNOW

<https://inow.tcss.net/InformationNOW/>

Access your child's grades and attendance records through the INOW Parent Portal. To access the INOW Parent Portal, you will need a username and password. If you have not been provided this login information, please contact your child's school.

<https://paypams.com>

Use PayPams to add funds to your child's school lunch account from your home computer or smart device.

<http://www.infofinder.com/tfi/address.aspx?cid=TCSD1QR1K1FAJ>

With Infofinder I's notification system, parents can register to receive important notices related to bus schedules, stops, and changes.

Parents can:

- Find their child's designated bus stop.
- Locate which school their child would attend if they are planning to move.
- Visualize the route their child's bus will be taking to and from school.

College & Career Ready Standard of the Week

Visit the site to access one CCRS standard for Reading and Math, respectively, each week.

<http://www.alsde.edu/sec/comm/Pages/standardoftheweek-all.aspx>

Math Resources

www.ixl.com

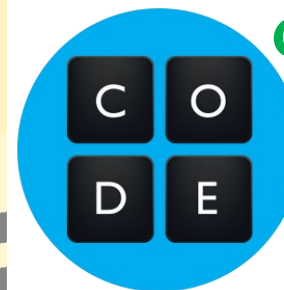

- Students can access IXL interactive math practice from your home computer.
- Comprehensive coverage of the K-12 math curriculum.
- Immediate feedback and question specific explanations are provided.

KHANACADEMY

www.khanacademy.org

- Access KahnAcademy for K-12 math practice.
- Use KhanAcademy to view learning videos on math concepts.
- Tutorials are available for Science, Economics, Arts and Humanities

Computer Science

Learn the basic concepts of Computer Science with drag and drop programming through www.code.org

<http://www.steamedu.com/>

Science & Technology interpreted through Engineering & the Arts, all based in Mathematical elements.
