PRIDE...

it's our way of helping students be successful. It requires us to focus on these character traits each and every day so be sure that each day you are focusing on them.

On Mondays - Participation should be part of your lesson plans.

On Tuesdays - Responsibility should be part of your lesson plans.

On Wednesdays - Integrity should be part of your lesson plans.

On Thursdays - Dedication should be part of your lesson plans.

On Fridays - Effort - should be part of your lesson plans.

Since we held our class meetings on Friday, be sure to start your classes by going back over our expectations for our students with your classes. 1) Being to class on time 2) Walking in the hallways on the right

This Week

Monday 8/13 - send any mid-day announcements to Mrs. Alexander

Tuesday 8/14

Wednesday 8/15 - Principal Meeting (Mr. Strickland off campus)

Thursday 8/16

Friday 8/17 - Librarian Meeting & Instructional Coaches Meeting

Upcoming Events

Monday 8/20 Scantron Fall Testing

Tuesday 8/21 Scantron Fall Testing

Wednesday 8/22 Guidance Counselor Meeting

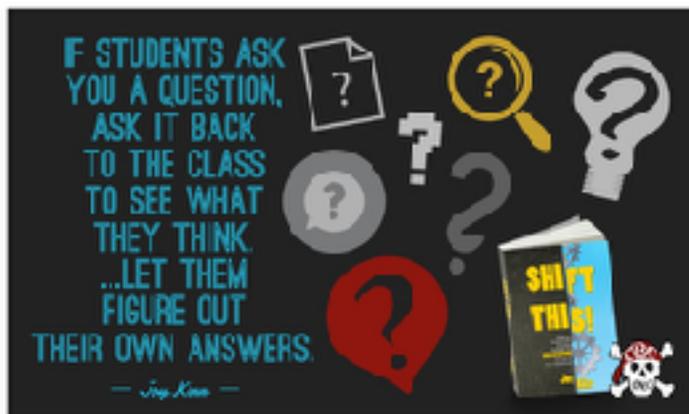

Thursday 8/23 Scantron Fall Testing - Panther Palooza (open house and spaghetti dinner)

Friday 8/24 Scantron Fall Testing

hand side 3) Dress code - no holes above the knees (send them to the office for one of the administrators to handle it) 4) No cell phones in the hallways or cafeteria or gym. 5) Clean up after yourself in the cafeteria.

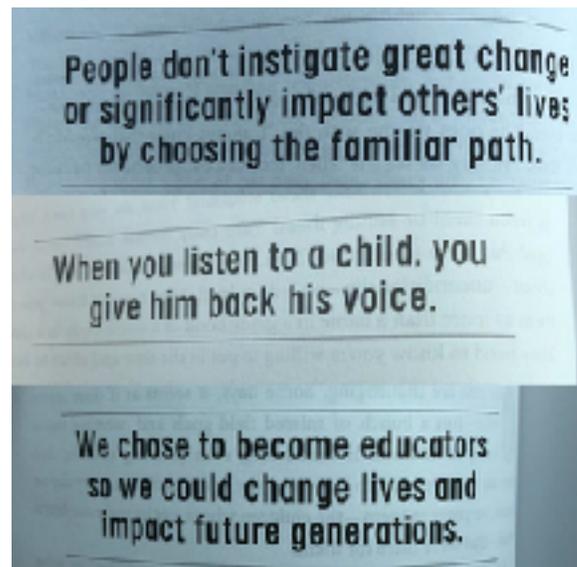

Also, please remember that we teach our students these traits by demonstrating them and modeling them ourselves. You have all been doing a fantastic job and we appreciate your effort. This week we will be providing you information about your lesson plans, safety, and testing. It's going to be a great week and we look forward to being in your classrooms seeing what all you've got going on!

You asked for it and you'll be getting it! We will have posters for your classrooms that have our school motto - It takes Participation, Responsibility, Integrity, Dedication, and Effort to be successful - These posters will be here soon!

Be sure to show off your classroom by tweeting. You can post using the #bmslearns, #tcsslearns, @brookwoodtcss @tcss_schools. We know you are doing amazing things and want to be sure everyone else does too!

We will begin fall testing soon so we can see where our students stand and develop a plan to help them grow in their learning. Using charts and having students use their reasoning skills will help them not only on tests, but will help them handle real life issues as well. We'll let you know more specifics on testing at the end of this week.

Keep making a difference in the lives of your students by leading by example. Show off your PANTHER PRIDE! It's contagious
