

Hillcrest High School Drill Team

Team Contract

The undersigned Cadet/Parent and/or Guardian acknowledges and agrees to the following conditions set forth in this contract for participation as a member of the Hillcrest High School Army JROTC Drill Team.

1. It is my responsibility to maintain a minimum un-weighted GPA of 2.5 and JROTC grade of "B" to remain eligible for the status as a competitive member.
2. I will attend all practices (every Wednesday and Thursday), events, ceremonies, and competitions either after school or on the weekend. I understand the events are sanctioned by the rules and regulations of Tuscaloosa County School System, and any misconduct at practice, or an event, will be handled in accordance with those rules.
3. I will wear the appropriate uniform during the conduct of all training associated with the Drill Team. Normal civilian attire is the prescribed uniform for most practices. The Class B uniform will be worn at all Drill events.
4. I fully understand this contract is intended for the consideration of being selected as a member of the Hillcrest High School Drill Team. My participation is directly related to my conduct, effort, and behavior as a student, team member, cadet, and citizen. Compromising my principles and failure to follow the rules as outlined here, in Hillcrest JROTC, and in Hillcrest High School will jeopardize my eligibility to remain a member of the Drill Team.

Parental/Guardian Acknowledgment

I will be required to provide my student transportation to and from events, unless otherwise stated. I understand practice is held every Wednesday and Thursday after school, at Hillcrest High School, from 3:30pm-5:00pm and I will be responsible for my student's transportation at the conclusion of practice.
