We need to accept that some kids are not at school for the academics--they are there to be loved. Once they get that love and feel safe, we can work academics.

At Brookwood Middle School, we focus on Building and Modeling Success and have a creed we live by: Participation, Responsibility, Integrity, Dedication, and Effort are five key elements that help me be successful. It is up to me to participate appropriately, to be responsible for my words and actions, to do the right thing, to be dedicated to my opportunities, and to put forth the effort needed to be successful.
