At Brookwood Middle School, we focus on Building and Modeling Success and have a creed we live by: Participation, Responsibility, Integrity, Dedication, and Effort are five key elements that help me be successful. It is up to me to participate appropriately, to be responsible for my words and actions, to do the right thing, to be dedicated to my opportunities, and to put forth the effort needed to be successful.

For PLCs, please bring something to write with and on, your device, and your plans for the week. We will develop our norms, discuss purpose of PLCs, plan for assessments, and evaluate Principle 1 of character education
