Wednesday 9/28 A Day Volleyball vs. Hale County

Thursday 9/29 B Day Football vs. Westlawn

Friday 9/30 A Day - PAYDAY School Dance

RESPONSIBILITY IS A VERY BIG WORD.

What exactly is "responsibility"? While many people have varying views of its meaning and indeed, its context in the workplace, the dictionary provides six distinct definitions of the word:

*The state of being the person who caused something to happen. *A duty or task that you are required or expected to do. Something that you should do because it is morally right, legally required, etc. *The state of having the job or duty of dealing with and taking care of something or someone. *The quality of a person who can be trusted to do what is expected, required, etc. *On your own responsibility. To do something on your own responsibility is to do it without being told to do and to accept the blame if it has a bad result.

At Brookwood Middle School, we focus on Building and Modeling Success and have a creed we live by: Participation, Responsibility, Integrity, Dedication, and Effort are five key elements that help me be successful. It is up to me to participate appropriately, to be responsible for my words and actions, to do the right thing, to be dedicated to my opportunities, and to put forth the effort needed to be successful.
