

Effective Monday, November 1st, 2021

All items that need to be dropped off for students must be left on the designated table outside the entrance of the school. Please use the materials provided to write the student's name on the item, and the item will be delivered to the student as soon as possible. Lunches that are left must not be in bags or wrappers from any restaurant.

Visitors will no longer be allowed in the building for drop offs except those dropping off money or electronic devices. This new rule was created to lessen the traffic in and out of the school building and to ensure the safety of our students and personnel.

**Thank you for your cooperation and understanding,
Hillcrest High School Administration**
